

PASSPORT WEEKEND 2019- PRACTICES & GUIDELINES

For a fun, safe, and memorable Passport experience, we ask that you read and adhere to the following guidelines for responsible wine tasting.

RESPONSIBLE WINE TASTING

On behalf of all participating wineries, we request that you please taste responsibly.

By law, no outside alcohol is allowed on the property of any winery at any time, including during Passport Weekend. If you choose to show up at a participating winery with outside alcohol, your entire group may be asked to leave.

Winery staff cannot serve anyone that appears intoxicated. In most cases, your entire group will be turned away even if only one person appears to have consumed over their limit. We ask everyone's cooperation in keeping the event fun and safe for all attendees as well as winery personnel.

TICKETS

When buying tickets at the door, each person in the party must be present. You must be prepared to show your ID in order to redeem an event ticket. Winery staff will need to check each person's ID to confirm they are at least 21 years old before attaching your event wristband. This includes designated drivers who must be 21 and over to attend. Wristbands and glasses will not be handed out to one person buying for the group.

Your ticket purchase includes an event wine glass. If you are planning on wine tasting for both Saturday and Sunday, you will need to use your original event wine glass for both days.

Everyone attending Passport Weekend will be given a wristband. You will need to wear your wristband through the duration of your wine tasting experience. You must keep your wristband on if you plan on returning for wine tasting on Sunday. Attendees with wristbands that appear to have been removed or cut will be turned away.

DESIGNATED DRIVERS

In order to maintain a safe, fun, and responsible weekend, we highly encourage the use of a designated driver. Designated drivers must be 21 years of age or older, no exceptions. Consumers wearing the designated driver wristband may not sample from another guest's glass, "have just a sip", etc. Designated drivers will need to wear a designated driver wristband.

WINE GLASS POLICY

If a wine glass is lost, stolen or broken, a replacement glass can be purchased for \$5.00.
